WHEELING INSTALMENT CO.

THE nearest approach to Paradise is an attractive and comfortably furnished home. To surround himself and family with all that constitutes an attractive, comfortable home is man's duty. To say he cannot, or that he would if he could, is to talk idly. We offer to every one not only the requisites to make home attractive, but the means, also, of procuring them without interfering to any extent with your finances. Our credit system must be tried to be thoroughly appreciated. You cannot, if inexperienced, appreciate as you ought to our system of doing business. You cannot at a distance form a correct opinion of the benefits accruing to our customers from our credit system. To be convinced of the practical, economic results of our instalment plan you must try it. It is to people of limited means a blessing. Our stock is a magnitude of the finest and best goods. We can give you everything to make home a paradise. We supply all except the house and lot.

WHEELING INSTALMENT CO.

Honest goods—Honestly made—At honest prices—Are the foundation principles of our business. Upon these principles we have built up the enormous trade we now enjoy and extending to every section of the city and all suburban towns. We have never made, and never will permit to be made, any misrepresentation. Customers are told that goods are precisely what they are, and in making a purchase you may figure on the facts and feel satisfied that you are getting just what you pay for and what you expect. We take no credit to ourselves for establishing a reputation for reliability. It is quite as necessary for goods we sell—but is a satisfaction to know that it has given a stability to our business that has made the name of the Wheeling Instalment Company a literal household word in three States.

WHEELING INSTALMENT CO.

Equal terms to every one is an established policy with our house. A child may purchase goods at as favorable an advantage as the most expert in the business. We are One Price to All. A Card From the Wholesalers. The following card was furnished for publication by the wholesale grocers this afternoon:

We herewith present our position in the strike declared against our business:

Our proposition to all of our employees was that we pay them the same wages as we had paid them last year, which proposition was accepted by the arbitration committee of the Ohio Valley Trades and Labor Assembly; and the difference between us arose because we would not humble ourselves to the Local Union of Warehousemen, No. 4023, to manage our business in the employment and discharge of our employees; nor will we. We are totally opposed to the policy of coercion.

We pay living wages, and, in fact, the best wages paid for similar work in the Ohio Valley.

Transfers Recorded.

Clerk Hook yesterday admitted to record six deeds of trust and transfers as follows:

October 8, by Elizabeth Discher and others to Mrs. Gus Snyder, for \$355, an interest in certain lots in Fulton.

September 25, by Elizabeth Discher and others, to Mrs. Snyder, for \$515, the other interest in the same lots.

Licensed to Wed.

Clerk Hook yesterday issued marriage licenses to the following named parties:

Frank Braendigan, aged 25, and Katie Kloss, aged 20, both natives and residents of Ohio county.

Henry A. Meiers, aged 19, and Jeanette Sparr, aged 18, both of this city.

A Thirty-third Anniversary.

The thirty-third anniversary of the organization of Concord Lodge, No. 19, I. O. O. F., was celebrated last night by a grand ball at the Mozart hall, on the South Side. Notwithstanding the disagreeable, threatening weather the attendance was very large and the ball a success, socially and financially. Newhart's band furnished the music.

Clerk of the Gas Board.

The new gas board, though composed of the same members as the old one, cannot do business until legally qualified, and this cannot be done, until the next meeting of Council. It is officially given out that A. A. Franzheim, the efficient clerk of the board, will not be a candidate for re-election. He is an avowed aspirant for the Democratic nomination for the sheriffalty, and unlike Gov. Hill, does not believe a man ought to hold on to a good thing while going after another. The candidates mentioned for the place are George Hill, the faithful and experienced assistant secretary for several terms past, Robert Pecceari, the well known glass worker, I. R. Moise and John Downs, Jr.

Not the Man They Want.

Detective Kelly, of Columbus, Ohio, was here yesterday, having come on to see if he could identify either of the two men held here who were suspected to be wanted at Columbus for burglary and larceny. The man arrested for getting a pair of shoes from Joe Hase-nauer by false pretenses, and who gave his name as Tyrrell, said that he had been engaged in a robbery at Columbus. He looked like the photograph of one Williams badly wanted there, but Kelly said at once that he was not the man. He evidently expected to be taken to Columbus and acquitted there, but his scheme did not work. The other man, Freeman, was also said by Kelly to be "wanted" at Columbus.

Woman has been compelled to suffer, not only her own ills, but those arising from a want of knowledge on the part of those with whom she stands connected. In the mansions of the rich and hovels of the poor, woman has been alike the patient victim of ills unknown to man. But now the hour of her redemption has come. ANOTHER WOMAN

Who Wants her Heedless Husband brought to Justice.

A letter was received by Postmaster Cowden yesterday, and handed over to Chief of Police Delbrugge, in which the writer, another deserted wife, asks to have her husband brought to justice. The letter, bearing uncertain orthography, is as follows:

INDIANAPOLIS, IND., 19 VIRGINIA AVENUE, October 12, 1891.

Wheeler, W. Va., Postmaster:

Please give this to the officers of your city and have them locate Mr. H. W. Deatty and wife and have him arrested for living in bigamy with her, as he has not procured a divorce from me, his legal wife, Mrs. Ella Deatty. I can prove all when it comes to that. He married her in Mansfield, O., and took her away after getting all her money in his hands.

If he is there please inform me at once and oblige,

MRS. ELLA DEATTY.

P. S.—Keep quiet until everything is settled. If any information wire me.

No trace of Deatty has yet been found in Wheeling, and Mrs. Deatty will have to nurse her wrath yet awhile longer.

A NEW ORDER HERE.

A Castle of the Knights of the Mystic Chain Instituted.

Silver Wave Castle, No. 11, Ancient Order, Knights of the Mystic Chain, was instituted in Wheeling last night by Select Recording and Corresponding Scribe J. T. Crawford, of Keyser, W. Va., assisted by Thomas Clark and Carson Johnson, of Braddock, Pa. The officers are: Commander, John N. Ballinger; Vice Commander, S. P. Ulliam; Recording Scribe, Henry H. McCallough; A. R. S., Robert Sumner; F. S., William Hercules; Treasurer, Henry Lowelag; C. of S., Edgar Charnock; A. C. of S., Edward Mahan; Trustees, John Cardona, Adam Hellego, George Paulins; Chaplain, George Hopwood; Past Commander, Adam Hellego; Past Commander, William Mahone; Past Commander, George Poliss; Past Commander, Joseph H. Heath; Past Commander John Cardona. The new castle has a charter list of forty-five members, and was instituted in three and one-half hours. All appeared pleased with the work, and No. 11 starts off with bright prospects.

Good Reason to Klee.

The residents on the west end of Virginia street, Island, are up in arms. For several years the street there has been so badly graded that in rainy weather one can navigate it only in a boat. Now the city is setting a curb there even lower than the former grade. The physicians ascribe a great deal of the prevalent sickness in that vicinity to the condition of that street and they agree that if the present ill-conceived plan is carried out it will make the matter much worse. A committee of residents called at the Board of Public Works office yesterday to see if the matter could not be remedied, but found nobody there. The gentlemen did not propose to have heavy expenditures to which they had been put by reason of the former bad arrangement rendered worthless, and new expense and trouble put upon them, so they went to a lawyer to consult him about suing out an injunction. If the matter is not amicably arranged before the work goes further, this step will be taken.

"Dear Irish Boy" To-Night.

McCarthy & Reynolds' company will give one performance at the Grand tonight of the great Irish drama, "Dear Irish Boy." As this company appears for one night only, they no doubt will be greeted by a good audience. Gus Reynolds is one of the best character actors of the day and the company is said to be the best that has ever appeared in this drama. Seats are now on sale at Weir's.

Gratifying to All.

The high position attained and the universal acceptance and approval of the pleasant liquid fruit remedy, Syrup of Figs, as the most excellent laxative known, illustrate the value of the qualities on which its success is based and are abundantly gratifying to the California Fig Syrup Company. DAW

They Speak from Experience.

"We know from experience in the use of Chamberlain's Cough Remedy that it will prevent croup," says Messrs. Gabberry & Worley, Percy, Iowa. A GOOD SHOW.

We are always advising you to advertise, and to keep on advertising, but that does not cover the ground entirely. Of course, you should make your advertising effective—if an electric light be available, you should not use a "tallow dip" to light the path to your store.

What do we mean by that? Simply that the more conspicuous, the more artistic, the more attractive, the more original you make your advertisements, the more people will see and read them, and the more customers you will have to contribute to your cash-drawer.

Study effects in bold pretty type—good matter may be spoiled by ugly dressing. Seek to catch the eye by a display of good taste in the style and arrangement of your announcement.

Above all, let it be bold enough to be easily read. Don't vex a reader by vexing his or her eyes!
